Sean inquired as to the status of the new bleachers that are suppose to be constructed at Whitney Park. He stated that he attended a football game over the weekend and the state of the bleachers and the non useable press box is an embarrassment to the Town. Also the downed soccer goal that is up against the fence had children climbing on it. This is a safety issue and should be removed. The Commission requested that letters be sent to both the BPW & BOS inquiring about the status of the bleachers and the removal of the soccer goal. Sean also stated that he would like to attend a BPW meeting to discuss our concerns.
