Mr. Shawn Teece (new Town Accountant) was also present.

First Order of Business: The Pledge of Allegiance

At this time, Mr. Teece went over the preliminary budget for 2025. Currently, revenues are assumed to be level-funded, which is not going to be the case as we are expecting some items to increase, specifically state aid, local receipts and potential growth. Given the increases on the expense side, we are currently \$501,205 under levy. On the expenses side, we are assuming a 3% increase for the town and school budgets. Additionally, per Assessor's request there is a \$350,000 in the Overlay Account.
