NOTES

Clerk to discuss Haviland Pond/opening

Clerk was talking with Sue Canning from the KEV's Foundation, she stated that they will be donating an AED to the pool. Need to set up a date (before the opening of the pool and when lifeguards available for training) for the donation to take place.

Not all the topics listed in this notice may actually be reached for discussion. In addition, the topics listed are those which the chair reasonably expects will be discussed on or after the date of this notice.
