Paul Chrzan-1<sup>st</sup> night and golf tournament

- Received great feedback about the 1<sup>st</sup> night event and how it was a great event for the town.

- Paul requested to have golf entrants' applications so he could start getting teams to register.
- Paul wants to start gathering hole sponsors. Linda is already contacting the hole sponsors from last year to sponsor again.
- The golf tournament is on May 18, 2024, with a fee of \$125/person or \$500/ team.
- Anthony Curto said that this year's tournament is supposed to be run by a committee. This cannot be a 1 man show like last year. To many issues fell through the cracks. Linda Collette was left running around at the last minute to finalize the preparation for the tournament.
- Linda Collette's name will be added to the entrant application along with her address and the address for the Town hall, which has a mailbox for the 250<sup>th</sup> committee which Linda checks 2 to 3 times a week. This will help in preparing for the tournament.
- Want to know who is playing before the day of the tournament. All money should be turned in before the tournament begins.
- Linda has secured Mercedes Benz of Springfield to sponsor the Hole in 1 contest.
