Unity Club approached Paul about the possibility of putting up wreaths on the light poles down the East St corridor. Although it's a great idea. Bruce thought that maybe civic groups & Business could get together and purchase them.

Funds left Over

- Kathy suggested we wait on to decide what to do with all the remaining funds until all the bills have been paid. (This could be in a couple of months.) There will be another meeting to decide on the funds
- Bruce suggested the remaining funds could go the Celebrate Ludlow committee, to continue putting on events that the 250th committee started.
- Tony suggested we should wait until we know how much money is left and possibly give some to different organizations in town that could use some.
- Friends of the 250th- Bruce & Linda met with friends of the 250th. About keeping the 501c3 going and just changing the name. No decision has been made on this yet.
