Mr. Comia explained that the town received a grant through the Community One Stop Grant Program through the Executive Office of Housing and Livable Communities and that there have been initial discussions with the Planning Board related to some components of the current zoning bylaw, particularly the East Street Corridor and have also explored the Center Street Corridor, and possible map changes. He noted that the gist of this particular grant is the work on reformatting and reorganization as was identified in the Ludlow Zoning Diagnostic Report back in 2024, which was also funded through the District Local Technical Assistance Program through the PVPC.

Mr. Hemeon-McMahan went through the Ludlow Planning Board Zoning Bylaws Draft that was presented to the board members for review for discussion at a future meeting. Also discussed was holding a community engagement meeting on either January 15<sup>th</sup>, 29<sup>th</sup>, or February 5<sup>th</sup> as Thursdays, which would be from 6:00 to 8:00 PM at Harris Brook School. Mr. Comia also gave a copy of a draft community survey that would be available to the public.

*In attendance: Johnathan Chenier, John Chenier, attendees*

Mr. Coelho read the legal notice and advised the public that the hearing was being recorded. The legal notice included the description of: office for junk removal business.

Mr. Coelho: That being said, why don't you guys let me know what you're trying to do and give us a description and give?

John Chenier: So, my nephew started this business about a year and a half ago. He now has to move to Tennessee, so we're kind of just taking it over. So, it did a little better than he thought it was gonna. And pretty much the trucks are parked on my property anyways at Chenier's Gravel Bank, which is right behind 335 and 501, both of our addresses. So, nothing's really gonna be any different except for the actual address of the office itself. So, it's gonna go from Fuller Street in Ludlow to Munsing Street in Ludlow.

Mr. Coelho: Okay, and basically you're just gonna run all the business stuff out of.

John Chenier: Basically, yeah.

Mr. Coelho: Okay. I'm looking at the application here. It looks like everything's in order. Is that a good assumption there?

Mr. Carpenter: Yes.

Mr. Coelho: Fees are paid, ownership signed off on. So, you did read the criteria of a home office, home occupation?

John Chenier: Yep.

Mr. Coelho: Good evening, Haley. And you understand those? That's basically what anybody can hold you up to, as far as the rules go. Signed off on that. I don't think I have any more questions. Does anybody from the board?

Mr. Silva: It's straightforward? Pretty straightforward. No questions on my end.

John Chenier: There's not much to it.

Ms. Houle: Mr. Chairman, I **MOVE** to find that the home office for a junk removal business as described by the applicants Jonathan Chenier and John Chenier is a suitable home occupation under the bylaw, and I further **MOVE** to waive the full site plan for the applicant at 335 Munsing Street, in favor of sketch and photos to be prepared by the applicant since this is in relation to home occupation and doing so is consistent with the purpose and intent of the bylaw.

Mr. Coelho: We have a motion.

**SECOND** Mr. Silva.

**Roll call vote:** Mr. Ellison – yes; Mr. Silva – yes; Ms. Houle – yes; Mr. Coelho – yes; Ms. Rivers – yes.

**5-0 in Favor.**

Mr. Coelho: Comments from other town boards as is typical with these there are, aren't too much concerns, especially when it's just an office for pushing papers. So, I'm not seeing anything here. Findings and waivers. Well, the checklist. You guys signed off on it, you can read and understand English. Okay, good. Then that's what you're gonna be held to, so keep that in mind. Anybody here from the public wish to speak on this matter? The home office at 335 Munson Street? Nobody. Okay, so we're at the pivotal point of the meeting here. I would be willing to entertain a motion to approve

Ms. Houle: Mr. Chairman. I **MOVE** to approve the Special Permit under 7.0.4 a-m and Home Occupation under Section 6.2.1-6.2.13 for Jonathan and John Chenier at 335 Munsing Street with the restriction that the permit will run with the applicant and not with the property.

**SECOND** Mr. Silva.

**Roll call vote:** Ms. Rivers – yes; Mr. Ellison – yes; Mr. Silva – yes; Ms. Houle – yes; Mr. Coelho – yes.

**5-0 in Favor.**

Mr. Coelho: That's five zero motion passes. There's a 21-day appeal period which the neighbors can file an appeal and I don't know, it's never happened with this kind of situation before. So, 21 days will be good to go. You have to be, you have to get it down to the registry, which we help you with.

John Chenier: Yes.

Mr. Coelho: And then it gets attached to your registry things and stuff like that and you'll be good to go.

John Chenier: Okay. Any questions from you guys at all?

Mr. Coelho: I hope we already asked our questions 'cause if we didn't...

John Chenier: It's too late now.

Mr. Coelho: Yeah, no, I think it's good. I've actually done some business with Jim and he's...

John Chenier: Well, I hope you have more business 'cause we're right there.

Ms. Houle: I'll make a **MOTION** to close the public hearing.

Mr. Coelho: Kathy just made a motion to close the public hearing.

**SECOND** Mr. Silva.

**Roll call vote:** Ms. Rivers – yes; Mr. Ellison – yes; Mr. Silva – yes; Ms. Houle – yes; Mr. Coelho – yes.

**5-0 in Favor.**
