Jammin' with Jodi...

Hey all! It has been a while! The newsletter has been so packed, there has been no room for me. You will notice the newsletter looks a bit different, and it is a work in progress. We can no longer use Publisher, so we are now using Canva and it has been a learning curve for me to say the least!

The holidays are almost here so it is always a busy time of year. Please pay attention to the special lunch sign-up dates. Also, on the 1st of the month, please call only call at 8:00am for activities that state "sign-up begins on November 2nd at 8:00am." For all other activities, you can sign up now. Thank you to our Veterans for your sacrifice and from all the staff at the Center, Happy Thanksgiving!

The Council works to identify the changing needs of this population and advises on policy making and program design. We focus on optimizing independence and quality of life, both physically and emotionally, in a way that is accessible to all.

FITNESS CLASS SIGN-UPS ~ PLEASE READ!

We understand that registering for popular classes, especially Boomer Bootcamp and Healthy Bones, can be frustrating. On Thursdays at 9:00am and 1:00pm, our phones ring nonstop and classes are often full within just a few minutes. Our fitness studio can safely accommodate only 30 participants and opening registration at the same time each week gives everyone an equal opportunity to secure a spot. Please know that our staff does their very best to answer every call and process registrations fairly. With more than 100 calls coming in within a matter of minutes, mistakes can happen. We ask for your patience and kindness if you are unable to sign up for a class or are wait-listed. If you get the voice mail when you call, PLEASE leave a detailed message, hang up and then DO NOT call back. The message is time-stamped so calling back jams the phones even more.

Quick reminder that we want to make sure everybody has a fair opportunity to join these classes. When registration opens, you may sign-up yourself and your spouse/household member. For others, we ask that they call and register themselves. Thank you for helping us keep registration fair and giving everyone an equal opportunity to participate. We appreciate your continued patience and understanding!
