Hello John,

I work for The Architectural Team (TAT), which took the lead on the architecture and interior design during the rehabilitation of the Residences at Mill 8 in Ludlow. TAT (with the support of our client and project developer WinnDevelopment) is submitting Mill 8 to the Preservation Massachusetts Mayor Thomas M. Menino Legacy Award. One aspect of the award is to provide letters of support. We were wondering if you would be inclined to provide a letter of support from the Ludlow Historical Commission for the nomination of Mill 8. Our Marketing Department would also be happy to craft a draft of the letter and send it to you to edit as you see fit.

The application deadline is April 11th. If you wish to provide a letter, our team will need it by Friday, April 3rd. More information about the award is below and linked in this email, but I'm happy to speak with you about any questions you may have.

The Mayor Thomas M. Menino Legacy Award: Recognizing preservation projects that are transformative, catalytic, embrace the community, create partnerships, and revitalize the best of the past to make something good for the future.

Criteria:

Accelerates change in the community, in terms of investment and future.

Creates partnerships and involves the community.

Embodies the ideals of community, preservation, and the beliefs that Mayor Menino exemplified.

Thank you for considering our request.

Sincerely,
Gina
